Dear Parker 5-1 -

I don't think it is
necessary to tell you to have
lots of fun over the summer -
I'm quite sure you will! So
my tender farewell speech will
be: Hope to see you back here next
fall!! (That's an order!!)

Thanks for all the moral
and medicinal support during
my attack of cancerous
bronchial pneumonia. (Tell
your mother I love her honey
cough medicine!) - you've
been a swell "roommate"
(for 2 whole weeks!)
see you in September,
Sophie -

Jeggy

Be prepared -

I might see you in Ocean City!

theme . . .

WHAT IT TAKES TO MAKE A TEACHER

NOTHING in the world is more dramatic than the spontaneous growth of a child. The child that is growing today will be the adult that will govern the world tomorrow. The state of the world, then, depends upon how that child grows. The school and the teacher have the greatest influence on the individual child in preparing him to take his governing place in the world. A teacher can take **the child** and through him make the world what he will. In the past there have been good and bad teachers. Both profoundly affected their posterity and history. Witness the effect of the teachings of Hitler on the children and hence the state of Germany. But then we have the great teachers who live as educators for humanity—Plato, Christ, Horace Mann. They and others have left education a heritage that cannot be viewed lightly by mankind.

We, at Kutztown, will all have a part in the drama of educating the child. The **Keystone** Staff wishes to present in this volume stills from the actual drama of everyday life here at the college. We bring you our stage and setting which is the college itself—adequately arranged to develop teachers of children. We present to you our producers and directors who have the major responsibility of making the grand performance a success. We can show you scenes from the preparation of the teacher. As a final feature, we present the cast—those who are being prepared to take their places front center of the classroom. Starring in the final rehearsal will be the Seniors. The **Keystone** presents . . .

dedication . . .

We, the **Keystone** staff,
dedicate this book to
The Teacher.

All of us are going to have a part
in the universal institution
called education—
all of us are going to have a part
in the drama of teaching children
the art of learning to live
and living to learn.
To everyone who is and will be
cast in the role of
The Teacher
we offer this dedication.

WHAT IT TAKES TO

producers

AND

DIRECTORS

MAKE A TEACHER

Before any play can
make its appearance on the stage,
much work must be done.

Before anyone can act the role of
The Teacher on the stage of life,
he must be prepared—
directed and rehearsed.

These are the producers and directors
of the teachers that go out from
Kutztown State Teachers College.

greetings

from our president

The theme of this volume, **The Making of a Teacher**, has large implications. A war-conscious world has emerged during the period which you spent in preparing yourselves to be teachers. The world of affairs is clearly changing more rapidly in our day than ever before and the course of events always develops in novel fashion. Some things we can, to be sure, in reason foretell: seasons will recur; children will be born, grow up, live out their time, and die; people must eat; institutions of some kind will survive; people will continue to read, argue, and act. But who can foretell what significant events will happen? Who can foresee what Europe, Asia, or the United States will be like ten years from now?

Naturally we hope that in becoming teachers you may realize that you must prepare children and youth to live amid conditions yet to come, amid conditions now unknown. You cannot teach your pupils the answers to their problems—you do not even know what their problems will be, let alone the answers. You have before you the intriguing task of getting your pupils ready to meet an unknown and for the most part an unpredictable future.

We have during the past two centuries built and spread scientific and technological intelligence. Now, in humility, we ask—will the machines of destruction which we have invented annihilate man who made them? Now, we sense that theories, dogmas and ideologies form the bases of men's lives for which they struggle even to the utmost. We have come to realize that beliefs body forth the form of things to

come; they bear the patterns of our behavior; they determine the direction of our thrust into the unknown. Now, even as late as this date, we discover that we must hasten to build social intelligence. These are the larger goals you will help your pupils to attain in a rapidly changing pattern of world affairs.

The faculty shared with me the pleasure of observing and assisting your professional growth in the making of a teacher. We wish for you every possible success in the profession and a respectable place on the roster of our Alma Mater.

QUINCY A. W. ROHRBACH, '12
President

the message

FROM THE ALUMNI ASSOCIATION

The Alumni Association wishes each and every member of the Class of 1951 all the joy anyone could wish and commends you for developing the theme, **The Making of a Teacher**, for the yearbook.

If I were a boy again, I would want you, my teacher, to put the weight of responsibility upon me, to make me feel that I was not a stick or a stone—not a lump of clay or putty, but a human being with a soul; and that what I was to be I was now in the process of becoming.

I would want you, my teacher, to be conditioned and prepared for engaging in the greatest enterprise on earth—the building of manhood and womanhood. I would want you to know the purposes of life and of education. I would want you to understand the units of the school system as a whole, the fundamental purposes of each part, and the knowledge of how to perform your function in the school system. I would want you to transmit, unobtrusively, your purposes to become my purposes so that I could proceed “full steam ahead”. I would want you to regard me as a diamond in the rough with education as the polishing agent in producing the most valuable product in the world—human conduct.

I would want you to have faith in people, believing that human beings are modifiable and improvable so that you would have and maintain an unembittered outlook on life. I would want you to encour-

age me by placing glorious, attainable possibilities before me. I would want you to believe in and convey the idea to me that there is more good than evil in the world.

I would want you to teach me that courage and hope are two mainstays in the journey of any happy and successful life. I would want you to create the atmosphere in which I, as a pupil, could catch the spirit of you, as a consecrated teacher. I would want you to promote creative thinking, and develop a sensitivity for honesty and truth. I would want you to teach me that this era is a birthday in man's struggle to be free, happy, and at peace, and that to achieve it I could be gently serviceable—helping without hurting. I would want you, my teacher, to have me realize that I was accepting the cultural heritage from you, with the responsibility of transmitting it not only unimpaired but enriched by my own contributions.

I would want you to teach me to give mankind my friendship, my interest and my faithful service; to pass the **golden trust** and the **golden hope of youth** to me so that I might make my life a rich service to my fellowmen, my country, and my God.

In the name of the Association, I wish you Godspeed and abundant success as teachers.

Sincerely,

Charles F. Seidel, President
The Alumni Association.

DR. A. C. ROTHERMEL MEMORIAL ORGAN

January sixth, 1951, the Moller Organ was dedicated to the memory of Dr. A. C. Rothermel, former president of Kutztown State Teachers College. Dr. Rothermel had been associated with this institution for a period of forty-seven years.

Two dedicatory recitals by Alexander McCurdy, Mus.D. and Henry R. Casselberry, Ed.M. in the Schaeffer Auditorium made the long planned memorial a reality. With foresight on the part of Dr. Rohrbach, the auditorium had been planned with the

installation of an organ in mind. This saved considerable time and money at the present time. The organ is a four-manual instrument with great, swell, choir, and solo features, together with a pedal board of thirty-two keys. There are 2679 speaking pipes and twenty-five chime bells.

The Alumni Association and the Doctor A. C. Rothermel Memorial Fund Association may well be thanked by the many teachers who will enjoy the music of this fine organ in the years to come.

MAKE A TEACHER

The teacher who is graduated from Kutztown State Teachers College is adequately able to play any part that he might be called upon to fill in the drama of educating children. The variety of interests that are afforded him in the many clubs on campus help to rehearse the teacher for the role of teaching the child how to learn to live.

EVENING PERFORMANCES

The Opera Trio—Donald Dickson, baritone; Mae Endlich, soprano; and Sandra Warfield, contralto—brought to Kutztown the first in a series of fine evening concerts on October 5, 1950.

Percy Grainger, the noted piano virtuoso and talented composer, offered the second presentation on the evening of November 30, 1950. The Australian-born musician completely charmed the college audience with his delightful interpretations and

sprightly fingering technique.

On January 11, 1951 the Vienna Choir Boys rendered an outstanding vocal program of sacred and secular music. The young singers captivated their audience with their version of **Tales from Old Vienna** by Johann Strauss.

The final feature of the season was the play, **Hamlet**, by the National Classic Theatre on April 26, 1951.

Annually the Inter-Religious Council sponsors Religion in Life Week at the beginning of the Lenten season. The opening activity this year was the film "What Men Live By" based on a story by Tolstoy. During the week from February 5 to February 8, the Council held a tea and the members of the organized religious groups

on the campus conducted special worship services. On Ash Wednesday the Rev. Herbert S. Mekeel, pastor of the First Presbyterian Church, Schenectady, addressed the college assembly. A panel discussion of the theme for the week, "Indifference—The Bane of Youth," brought the series of activities for 1951 to a close.

CHRISTIAN ASSOCIATION

The Christian Association is a non-sectarian organization which meets weekly for short devotional exercises. In an effort to make the religious life of the student more meaningful, the Christian Association sponsored several Freshmen Week activities, a Christmas party for the children of Bethany Orphanage, and the weekly services during the Lenten period.

WHAT IT TAKES TO

sports

MAKE A TEACHER

Any person who would keep his mind acting at top speed must keep his muscles active. Kutztown offers each teacher an opportunity to achieve the coordination and relaxation that comes from participating in the sports program.

FOOTBALL

Early in September the call to the gridiron was answered by 51 sportsmen whom Coach Patton molded into a sturdy team to represent Kutztown State Teachers College on the field. The team swept ahead to win five games for a second consecutive season setting a new school record.

The opening clash of the season was played at home with Indiana STC. Starting at half-time and continuing through most of the remaining game, rain fell in torrents and the game was played on a very wet and muddy field. The game ended in a deadlock with both sides unable to break the 13 point tie.

Launching a powerful offensive in the first quarter, KSTC held a 7 to 6 lead over Shippensburg STC. The following three quarters Shippensburg stayed Kutztown and darted ahead to win 32 to 7.

Following the season's first defeat, the Maroon and Gold retaliated with a skillful

offensive and thwarted Glassboro STC by taking a 35 to 6 victory.

Kicking out of a precarious position in the next game, KSTC scored a touchback in the opening minutes of the game. The Avalanche's subtle off-tackle plays worked very effectively in scoring two touchdowns. Montclair took the last touchdown of the game but was left with the short end of a 15 to 6 score.

Victorious for the third time, the men swamped Trenton STC 12 to 0 at a gay homecoming. Streamers, banners, posters, and a lynched effigy of Trenton ended their hopes of an undefeated season.

Breaking our winning stride, the Bloomsburg physical education-huskies defeated Kutztown 35 to 0 at the huskies' homecoming.

Quick to return to its winning stride, the Golden Avalanche shut out Connecticut 19 to 0. Fighting a hard defensive game, Con-

necticut was unable to check the steady gains against them.

Millersville STC game marked a low ebb of the Kutztonian achievements. Although the Maroon and Gold outplayed MSTC throughout most of the game, three decisive fumbles gave the game away, 25 to 6.

The final game of the season, played away at Cheyney STC, was one of the finest games of antagonistic courtesy in sportsmanship, Cheyney STC played a hard game but was unable to match the dexterity of the Golden Avalanche as it emerged triumphantly 37 to 13.

Coach Patton honored his football team with his second annual "old-fashioned" dinner. The boys cooked and served the food, washed the dishes, and supplied the entertainment during the dinner. Mr. Bart Amendola, colleague of Mr. Patton at Colgate College spoke to the boys.

After the dinner, the boys elected Robert Banick the most valuable senior, Frank Marelo the most valuable player, Vincent Kuestner the most promising freshman, and Robert Banick and Frank Marelo co-captains for the year. Joseph Rinaldi, Domenic Diniro, and Robert Bradley received honorable mention on the "All Pennsylvania" football team as selected by the Associated Press and International News Service.

The annual football banquet was held December 20. The principal speaker was Maurice "Clipper" Smith, football coach at Lafayette College. Earl Dagler, Principal of the Alsace Consolidated School, led the community sing. The Runyeon Award was presented to Robert Banick by the coach in behalf of Mr. Harold Runyeon who was unable to attend.

BASKETBALL

The Golden Avalanche fell short of its anticipated scoring power by taking four and giving up ten games in a hotly contested season. Coach Risley skillfully employed a varied strategy of single pivot, double pivot, and five-man weave offensive; with a man for man and zone defensive. However a lack of height made the going rough.

After scrimmaging with Albright and Muhlenberg, the Golden Avalanche opened the season with Trenton STC on the home court. A fast break by Trenton gave them a light margin which they held through most of the game leaving the Avalanche the short end of a 65-39 score.

For the second encounter on the Cheyney floor, the Kutztown quintet was in fine shape. They led 15-14 at the first quarter, forged ahead 36-32 at the half, broadened the gap 54-33 at the end of the third quarter, and finally took the honors at the final with 84-46.

The Maroon and Gold triumphed after

a tightly contested game with Millersville STC. The score remained neck-and-neck throughout most of the game, but Kutztown nosed out in front at the final whistle with 58-57.

The return engagement with Trenton STC was a hard-driving offensive with the Risley men outscoring Trenton in field goals 26 to 25. However, Trenton's ability to make good 30 of 38 fouls compared to Kutztown's 18 of 27 resulted in their victory, 80 to 70.

At Shippensburg "the lid was on the basket" for KSTC as a barrage of shots bombarded the basket totaling only 37 points. Shippensburg "zeroed in" with 67 points to win the battle.

Cheyney STC bowed out for the second time when they met the onslaught of the Golden Avalanche. They trailed by 10 points throughout most of the game in which the KSTC reserve squad showed promising abilities.

Kutztown STC played true to the weather

when they traveled to Millersville STC on the year's sleetiest day and took their greatest "slide" of the season, 103-59.

What seemed to be an eminent victory for the Golden Avalanche reversed itself in the final quarter when the Bloomsburg huskies edged ahead 54-52.

In a fast-moving fray with West Chester STC, the Kutztown courtsmen kept up with the physical education boys until the half. At the half West Chester turned on the steam and piled up a 78 to 53 victory.

The Avalanche traveled to East Stroudsburg for the tensest game of the season. During the course of the game, the lead changed hands thirteen times, and ended its cycle in favor of East Stroudsburg 58-47.

In the return engagement with Shippensburg STC, the Kutztown cagers reversed the table by holding the "shippers" at bay throughout the first three quarters. A tie score of 48 all created an extra period during which the Risley men were agile in

concluding 52-50.

Keeping up with the pace of the Bloomsburg Huskies the Golden Avalanche played a fine game until the final quarter when the Huskies turned on the steam, and registered a final score of 68 to 57.

After their first period lull, the K-town hoopsters steadily drove ahead to tie West Chester during the fourth quarter but were finally overpowered and downed by a score of 63 to 56.

Concluding the season on the home court, the Golden Avalanche met East Stroudsburg the week before mid-semester exams and the Easter recess. The rising cheers of the closely contested battle in the gym enticed a large student body to desert their studies and rally to the support of the Avalanche. During the final moments of the game East Stroudsburg got a two point lead and successfully froze the ball until the finish, leaving KSTC the light end of a 41 to 39 score.

BASEBALL

A disheartening, unsuccessful season was the result of the efforts of coach Walter Risley and the men of the maroon and gold baseball team. Although the disappointment of continual setbacks was keenly felt by all, coach Risley had only praise for the

untiring efforts of the courageous players. Many of the players of the '50 season have been either graduated from school or drafted into military service so that it has been necessary for coach Risley to develop a new team for the '51 season.

TENNIS

Defeated but not conquered was the fate of Kutztown's 1951 tennis team. Even though no games were won during this disheartening season, the Golden Avalanche's athletes enjoyed the keen competition and exhibited true sportsmanship

qualities. Because of the courageous and upstanding contests waged by these men, the name, Kutztown State Teachers College, was respected among the opponents in the field of sports.

CHEERLEADERS

The cheerleading squad is an asset to the college program in stimulating school spirit and in sparking the college teams to victory.

Sportsmanship measured by the spirit of the participants is the goal of the MIAA. The men's intramural sports program was started two years ago with a very meagre beginning. Under the active guidance of the officers, this group has expanded three activities to ten activities during the past year. The program now consists of six man football, tennis, horseshoes, swimming, life saving, soccer, basketball, bag-punching, weight lifting, softball, and golf. No re-

quirements are necessary for membership other than the desire to participate.

The leagues have had very successful seasons. In the football league, second hall with Ken Hosier as captain won 6, lost one, and tied one with fourth hall (Jerry Albert, captain) who won 5 and lost 2. The tied game was played off with second hall winning the game 14-13. Third hall with Francis Maslar as captain won 4 and lost 3 games.

The twelve teams in the basketball league were evenly matched. Junior B, Sophomore A, Sophomore B, and Reading were in the playoffs. The Junior B team with Joe Rinaldi as captain won the MIAA championship in an overtime period of the game with Sophomore B.

Horseshoe matches were won by Jerry

Albert, Joe Peta, Pete Wisnosky and Gene Rosenberg. Softball and tennis matches were also successfully scheduled and played off.

The men are to be congratulated on the organization and sportsmanship that has been evidenced in the Men's Intramural Athletic Association.

WOMEN'S ATHLETIC ASSOCIATION COUNCIL

All women of the college are eligible for membership in the Women's Athletic Association; the women are represented by the athletic council which directs the sports activities. The sport days with other colleges are also planned by the Women's Athletic Council.

The council consists of the officers of the following organizations: Tau Kappa, Leaders Club, Women's Athletic Association, and the managers of all intra-mural sports.

As we began our freshman year with a younger set of students, we looked forward to the time that we would be active members of the college body. The first week was spent at "doings" which were to acquaint us with Kutztown life. Customs

served to acquaint ourselves better with each other and with the upper classmen. By this time we are an integral part of the college and look forward to taking our place in the teaching profession.

SOPHOMORE CLASS

For the Sophomore class, this year has been a success. We have worked together enthusiastically and can look back on the year with a feeling of accomplishment. finale

TO THE CLASS OF 1951:

The Bard of Avon depicts life as a play with the world its stage and we, the people, the actors. The role of the class of '51 may be small, but our obligation is to make sure that this part is not one of insignificance.

Upon completion of our work at K.S.T.C., we qualify as directors in this great play. Our qualifications depend upon the experiences provided for us by a sympathetic administration and faculty. These experiences, however, are merely the dress rehearsal for the drama of life in which we are about to be cast. Our role will be that of teacher, one who guides others in learning experiences. We must strive to have these experiences implant cooperation, understanding, and brotherhood in the minds of our pupils. In order to obtain that end, we must make the most of every oppor-

tunity that presents itself. We must read, travel, study, and work in order to develop an appreciation for every act of the great drama.

During rehearsal, our opportunities have been basically the same. Now that we are ready for the actual production, our degree of success will depend upon our own initiative, our own discrimination, and our own decisions. It is upon the adequacy of these qualities that we must rely in order to present a worthy production.

And now the finest cast with which a person could be associated takes its place on stage. We all hope that the play will have a pleasant and successful run as the curtain rises on the first act in our drama of life.

SUCCESS, satisfaction and confidence always accompany a service well rendered. For example, our business is growing. Not the "overnight" growth, but a nice, steady year-to-year increase. It is indeed a great satisfaction to look upon this growing list of loyal customers. We know it was possible only through the service well rendered those whom we serve and the confidence they have in our ability. We believe the old adage: "Business goes where it is invited and stays where it is well treated." We invite you to try our

WHERE STATELY TREES ARE BENDING,
WHERE NATURE'S GLORIES SHINE,
AND LOVELINESS UNENDING
IN BEAUTY RARE COMBINE,
THERE RISE THE KUTZTOWN TOWERS,
AND THERE THE COLLEGE STANDS,
THE WELL-SPRING OF OUR POWERS—
THE SHRINE OUR LOVE COMMANDS.

ABOUT HER HAPPY HALL-WAYS
OUR FONDEST MEMORIES CLING,
OF DAYS THAT WE SHALL ALWAYS
IN JOYOUS RAPTURE SING:
FIRM AS A KEYSTONE THEY STAND,
ROUND WHICH WE SHARED LIFE'S SPAN.
SHE TAUGHT THE SOURCE OF ALL GOOD:
WHO SERVES GOD MUST SERVE MAN.

AND WE WILL EVER LOVE HER
AND LIVE TO SPREAD HER FAME;
OUR LIVES SHALL ADD NEW LUSTRE
UNTO HER GLORIOUS NAME;
AS GUARDIANS OF HER NEW DAY
OUR WORK WILL EVER BE,
TO LABOR SO THAT SHE MAY
ACHIEVE HER DESTINY.

Shirley,
Although their one eye and
down in school I can
say as long as I have been in
your company I have had nil-
May the year of '52 be like
that of '51.

I am looking forward
to seeing ^{more} of you.
Sydney & Sol and Meyer
all will be looking also.

Love,
Larry

Dear Shirley,

May 25th

There's much I could say, but what's the use? You
wouldn't listen anyway. I made a prediction the first
day I met you and you sure lived up to it. Now ask
me what my prediction was. I'll tell you sometime. All
year Ruthie & I have been having a race for the "prettiest"
room with your kids, but I guess you won. It's a wonder
you could even find your heads this past hectic week.
I think I'll stop prattling on & leave room for someone
else. I wish I could have seen more of you this
year - but I guess it can wait until September. See
you on lower second "you quiet little girl!"

Love,
"Jackie"

Best wishes and Good Luck
from - Rose Marie Enico

Dear Daughter,

It's been fun being a mother to you - I really suffered. I enjoyed rooming with you and being back at freshman art projects again - boy, we sure pulled some fast ones on the jury, didn't we? It's too bad that you won't be able to stand 257 next year because I expect to do one thing that I've wanted to do all year - my heart's desire - close the window & door!!!!!!
Oh, you're welcome for the B on the visual aid charts - no extra charge! See you next year for more sessions in 266, the airport, & - excuse the expression - cemetery!
Please try to get your work done - not like this year - cause we don't want to move out every night so you & "muscles" Lynch can have our all-night lights!

The best of luckies & no-dogs,
EMMA

Dear Shirley — May 25, 1951

It's been really had one "very" terrific year in K-Town Rooming together has given us a really close friendship that won't ever be any different. You've been as perfect a room-mate as anyone could want and it's 90% personality (10% sex) that's kept me on the bright side. Never forget - that fateful Fri. - suitcases, blind-date the Marble & the things we faced the next day. How many shrewdies have we pulled? This year is only our beginning in this place & the next I will be even more memorable. The very very best for you this summer - I'm hoping the that you stay unincriminated! (spell it) See you in Sept. & you better write. Love, Joyce
